MINDSET

Heritage Alliance Church - January 12, 2025

# Welcome to Heritage...

We're so glad you've joined us! Our current sermon series is all about having a 'Kingdom Mindset'.

Kingdom Mindset is a series of talks exploring the powerful teachings of the Apostle Paul in the book of Philippians. In this letter, Paul challenges believers to adopt the mindset of Jesus Christ—a perspective deeply rooted in humility, selflessness, and hope.

Throughout this series, we will dive into how Paul encourages us to reflect Christ's mindset in key areas of our lives. Whether in our relationships, where love and unity take center stage; in times of suffering and hardship, where we are called to find joy and purpose; or in our outlook on the future, where hope in Christ reshapes our priorities and perspectives, Philippians offers timeless wisdom for living as citizens of God's Kingdom.

Join us as we journey through this remarkable book, uncovering what it means to live with a Kingdom Mindset that transforms our hearts, our choices, and our lives.
